Dear Sir:

The following sections are being submitted for this Supplemental Information
Disclosure Statement:

1. Preliminary Statements.

Applicants submit herewith additional patents, publications or other
information as the result of an International Search Report, that they believe may be
material to the patentability of the claims under consideration in this application and
in respect of which there may be a duty to disclose under 37 C.F.R. § 1.56.

The filing of this Supplemental Information Disclosure Statement shall not be
construed as a representation that a search has been made (37 CFR § 1.97(g)), an
admission that the information cited is, or is considered to be, material to
patentability as defined in 37 C.F.R. § 1.56 (37 C.F.R. § 1.97(h)), or that no other
material information exists.

The filing of this Supplemental Information Disclosure Statement is not to be
construed as a representation that the references are prior art within the meaning of
35 U.S.C. §§ 102 or 103. Further, any explanation, if provided, is not to be
construed as a representation that the references have been thoroughly reviewed.
In particular, no representation as to the relevance of any portion of any reference
is intended.

The filing of this Supplemental Information Disclosure Statement shall not be
construed as an admission against interest in any manner. Notice of January 9,
1992, 1135 O.G. 13-25, at 25.

2. Form PTO-1449, List of Prior Art Cited by Applicant, citing no U.S. patents,
three foreign patents, and two publications.

3. Attached to this Supplemental Information Disclosure Statement is a copy of
the International Search Report in the corresponding International Application, along
with the cited references, for consideration by the U.S. Patent and Trademark
Office. Copies of the references listed in the International Search Report that have
not been provided are believed to define the general state of the art and are not
considered to be of particular relevance.
